The Honorable Rosa DeLauro

March 19, 2025

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a new police station being constructed in Fairplay, Colorado. The entity to receive funding for this project is the Town of Fairplay, located at 901 Main St, PO Box 267, Fairplay, Colorado, 80440. The new police station would be constructed at 1507 County Road 16, Fairplay, Colorado, 80440.

Funding will support the construction of a new police station for the Fairplay Police Department. Their current police station resides in a small basement room in our town hall, which doesn't serve the officers or the public in its current state. A new police station will allow Fairplay to expand the police department from 3 to 9 full-time officers. The new facility will incorporate critical features such as a police operations center, a community room for public use and engagement, sleeping/living quarters for officers, and interview rooms to ensure effective communication in sensitive situations.

This project has a Federal nexus as it is for the same purposes authorized in section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brittany Pettersen
Member of Congress
