The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1016 Longworth  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Teller County Water & Sanitation District #1 - Radium Mitigation in fiscal year 2024. The entity to receive funding for this project is Teller County Water & Sanitation Special District 1 at 212 S. Chestnut St., Woodland Park, CO 80863. The funding would be used for new equipment in a new building for treatment to reduce the level of combined radium below the maximum containment level of 5 pCi/L.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brittany Pettersen  
Member of Congress
