The Honorable Rosa DeLauro

May 2, 2025

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Teller County Wastewater Expansion project in fiscal year 2025. The entity to receive funding for this project is the Teller County Government located at 12047 W. US Hwy 24, Davide, CO 80814.

The funding would be used for expanding the wastewater plant's capacity to 120,000 gallons per day and would move treatment works out of a defined floodplain area. The project is an appropriate use of taxpayer funds because it would bring the plant into compliance and aid in the building of new affordable housing without increasing rates.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
