The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Water in Westminster – New Water Treatment Facility in fiscal year 2024. The entity to receive funding for this project is the Town of Westminster located at 6575 West 88th Avenue, Westminster, CO 80031. The funding would be used for to help the Town of Westminster to replace its drinking water treatment facility that is nearing the end of its useful life. The project is an appropriate use of taxpayer funds because the infrastructure is deteriorating and ongoing threats such as wildfire in the watershed strains Westminster's ability to provide safe, clean, and affordable water to its residents and businesses.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brittany Pettersen
Member of Congress
